## TO MY COIN COLLECTING FRIENDS

Thank you for the many letters and notes received with your bids at the last sale Jan. 29th. It will be impossible for me to answer them as I would like to do, because the coin business is very active at this time, and the hobby is growing by leaps and bounds. To friends who wished me a good recovery from my heart attack of over two years ago, I can report that I have well recovered, and I am feeling the best since before the attack two years ago Christmas eve. Going back to the hobby, I have seen its remarkable growth in this country over the past 47 years that I have been collecting, and because our hobby has so much merit and interest, the number of collectors will increase tremendously in the future. Therefore, prices on most items can not help but go up. When certain series become too high for average collectors, many will go into a different field of collecting, where costs are more reasonable, such as Confederate Currency of which some 1300 notes are offered in this sale. The many large lots in this sale offer opportunities for dealers as well as collectors, and are from the estate of a prominent eastern dealer, now deceased. The next sale, my 187th, will be held about September.

## TERMS OF SALE

1. Every item is guaranteed to be as represented, and to give satisfaction, as in all past Bolender sales.
2. All bids are my mail, in fairness to all those who could not attend personally.
3. There are positively no reserves on any item by anyone, and every lot will be sold to the highest bidder, at so much for the lot. All bids will be executed below your bids where other offers permit, in good faith. Where two or more bids are exactly the same on any lot, or tied, the lot goes to the first bidder at exactly his bid.
4. No unlimited bids will be accepted. Mark your highest limit on the bid sheet (on back page of catalogue), and if you need more space for bids, use any ordinary sheet of paper. We will buy as much under your bids as other actual offers permit.
5. New bidders or customers sending bids for the first time at these sales must positive-

ly give first class references, or else send a deposit of at least 25% of the total amount of bids. References acceptable would be the name of some other dealer from whom you have had coins on open account, or name of some collector known to us, or else name of your bank. To those known to me who have established credit, purchases will be sent out promptly after the sale. In appreciation of this courtesy, the purchaser will remit promptly. Postage and registration or insurance is paid by the purchaser.

6. California buyers will be charged 3% state sales tax.
7. The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.
8. A list of all prices realized at this sale will be supplied for 50 cents.
9. Please send your bids now as there is little time left before the sale date.

### **U.S. THREE-DOLLAR GOLD PIECES**

There is a bright future ahead for collectors of this series, which is rapidly becoming so popular. The odd denomination, and the fact that the coinage was so small, in most cases below 10,000, will bring about a continuation of the price rise now taking place. Fine specimens of the more common dates are already bringing a minimum of about \$25, and it is useless to bid very much less than \$20 for any variety. Since most of these are in choice condition, they merit your liberal bids.

1. 1854 U.S. \$3.00 gold. First year of coinage. Now lists at \$35. **Uncirculated** mint state.
- 1a 1854 same as last. Very fine. The date is large and the letters in DOLLARS are much smaller than on any other date. Lists fine at \$25.
2. 1854 **Dahlonge mint**. Very fine. Trifling edge dent on reverse. Only 1120 coined. Recent auction record for this rarity in same condition was \$105.
3. 1854 New Orleans mint. Fine, weak date. \$25.

4. 1855 Phila. mint. Very fine. Lists only fine at \$25.
5. 1855 San Francisco mint. Extremely fine. Only 6600 struck. Several in this condition have sold at around \$40 each.
6. 1856 Phila. mint. Uncirculated mint state. Yellow gold. Catalogues at \$35, and worth it so choice.
7. 1856 San Francisco mint. Fine. Lists at \$20.
8. 1857 Phila. mint. Very fine. \$25.
9. 1857 San Francisco mint. Very fine. Only 14000 coined. Worth \$35.
10. 1858 Phila. mint only. 2133 pieces struck, a very small number. Uncirculated. Rare. Catalogues at \$135.
11. 1859 uncirculated, mint lustre. Cat. \$35.
12. 1860 Phila. mint. Fine, strictly so. Only 7155 coined. \$25.
13. 1860 San Francisco mint. Fine. Only 7000 struck. \$25.
14. 1861 extremely fine, mint lustre. Only 6072 minted. \$30.
15. 1862 very fine; solder mark shows on edge and nearby border. 5785 coined. \$17.50.
16. 1863 very fine. Only 5039 struck. Lists fine at \$25. This one worth \$30.
17. 1864 very fine. Rarer than last, only 2680 minted. \$30.
18. 1865 very fine; considerable mint lustre. Only 1165 coined. Worth \$60. (Lists at \$95 uncirculated.)
19. 1866 very fine. Only 4030 struck. \$30.
20. 1867 extremely fine; some proof surface. Only 2650 minted. Rare and choice. Worth \$35.
21. 1868 extremely fine; some proof surface. Only 4875 coined. \$35.
22. 1869 fine; solder mark on edge does not show at all on either obverse or reverse. Only 2525 struck. \$20.
23. 1870 very fine, some lustré. Only 3535 minted. \$30.
24. 1871 extremely fine, minute edge nick on reverse. Mint lustre, choice. Rare. Only 1330 coined. \$35. (Lists unc. at \$45.)
25. 1872 extremely fine, brilliant semi-proof surface on reverse. Rare. Only 2030 struck. \$35. (Catalogues unc. at \$45.)
26. 1873 proof. The reverse is brilliant. The obverse shows very slight cabinet friction, and minute scratch below head, barely no-

ticeable to the naked eye. The mint report states that only 25 were coined, but this is not believed correct, and more were actually struck. Still a very rare date, the third rarest date of the series. This coin cost \$205 four years ago, and now catalogues at \$250, and it is worth near that figure.

27. 1874. **uncirculated**, mint lustre. \$35.
28. 1877 **extremely fine**; a nick on obverse edge above E in AMERICA. Some proof surface close to letters and figures of date. I believe that the mint report of 1488 pieces is far from correct and that the actual number existing is quite small. Catalogues in very fine state at \$125 and uncirculated at \$165. Very rare.
29. 1878 **brilliant uncirculated**. Cat. \$35.
30. 1879 **brilliant uncirculated**. Some proof surface, especially on reverse. Only 3030 coined. \$35.
31. 1880 **nearly uncirculated**, slightly rubbed in obverse field. Much proof surface. A choice beauty and very rare, with only 1036 coined. Lists unc. at \$50.
32. 1881 **almost uncirculated**; slight cabinet friction, and trifling edge dent, with considerable proof surface on both sides. A nice specimen of this very rare date, of which only 550 were minted. Lists uncirculated at \$70.
33. 1882 **brilliant uncirculated**, with some proof surface. Only 1540 coined. \$40.
34. 1883 condition about as last. Very rare, as only 940 pieces were struck. Catalogues at \$45, and going higher.
35. 1884 **brilliant semi-proof**, almost equal to a proof. Very rare, with only 1106 minted. The Atwater specimen at \$53.
36. 1885 same condition as last. Only 910 pieces coined. Lists in proof condition at \$75 and uncirculated at \$45.
37. 1886 same condition as last two, another beauty. Only 1142 struck. From the great Atwater coll'n. 8 years ago at \$47.50, and worth more to-day.
38. 1887 **uncirculated**. Only 6160 minted. Rare. Cat. \$37.50.
39. 1888 **uncirculated**. Only 5291 coined. Rare. Cat. \$37.50.
40. 1889 **uncirculated**, with proof surface. Rare. Only 2429 struck. \$40.

## RARE PRIVATE GOLD COINS

41. **C. BECHTLER AT RUTHERFORD 5 DOLLARS.** Reverse: CAROLINA GOLD. August 1. 1834. 140 C. 20 CARATS. Extremely fine, mint lustre. Choice and rare. \$110. (Lists unc. at \$125.)
42. **1849 Mormon \$5.00 Gold.** Bishop's hat or mitre above all-seeing eye; around HOLINESS. TO. THE. LORD. Reverse: hand clasp & date in center; above G.S.L.C.P.G. (Great Salt Lake City Pure Gold); below, value FIVE DOLLARS. Strictly fine, with a strong date, very unusual, as these pieces usually have a weak date. Rare. \$85.
43. **1860 Pike's Peak \$10.00 Gold.** View of mountain peak, DENVER below. PIKE'S PEAK GOLD above, value in exergue. Rx. spread eagle, CLARK GRUBER & CO. 1860. Very fine, strictly so, and very rare. Worth \$200.

## PROOF ISABELLA QUARTER, etc.

44. **1893 Isabella commemorative quarter.** This is a genuine proof, with high sharp edge. Beautifully toned and has never been cleaned. A gem with pink, blue, and golden colors. I have had only about a dozen proofs in my 47 years' collecting and dealing in coins. Worth up to \$50. (Can be easily cleaned as original if you prefer it that way.)
45. **1896 Bryan Dollar.** Large size, twice the size of regular silver dollar. wt. 823 grains, by Gorham Co. Fine silver, same fineness as our regular dollars. Uniface. Uncirculated, proof-like. Zerbe 6. Worth \$15.
